

SIOUX FALLS H.O.G.

RIDE SAFE & HAVE FUN

DIRECTOR

GARY MAROHL

Hello!

I hope you all have had a good riding season so far. The weather has been hot but decent for riding. Please remember to turn your miles in to the dealership, I know for our size group we rank up there with some of the larger for miles ridden in a year. I want to recognize all the road captains that have made the weekly rides a success. We still have some great rides coming up, please check the 2022 event book to see where the

future rides are going.

If you have a flair for planning, we are looking to put an extended ride planning committee together for our next year's extended rides. I would like 4 to 6 people to work together with the board and dealership to come up with events and challenges for next year. Also, we are looking for ideas for locations for next year's extended rides. This group should be ready to start up between September and October to get ahead of the game. If you would like to participate in this group, please reach out to a board member or May at your earliest convenience.

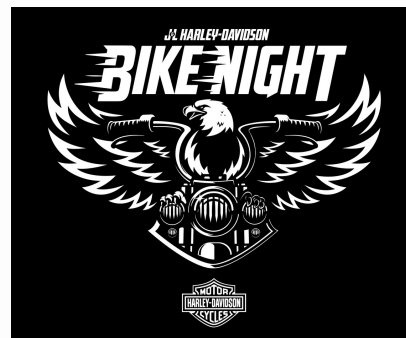

I hope you have a safe and fun riding season!

AUGUST HAPPY HOUR

AT J&L 7PM - AUG. 2ND

AUG. 20TH & SEPT. 17TH

AUGUST 26TH - 6-9PM

ASSISTANT DIRECTOR

TAWNIA TENNANT

Hi H.O.G.

As we are in the full swing of riding, I would like to bring up a few things that are going on with the Sioux Falls H.O.G. chapter that will hopefully give you a chance to stop by for a visit.

Bike night is coming up July 29th stop by the H.O.G. table too check in for your free drink coupon. Then there is Happy Hour on August 2nd at 7PM. Stop in for a update on

what is going on at the dealership side, as well as learning about various events that are going on. We do a 50/50 and prizes. You could be one of the lucky winners! Oh and did I mention free drinks.

Don't forget to check in during the H.O.G. Hangout on August 20th. You can also earn points by checking in on the H.O.G. Ride 365 for a sweepstakes entry. With the Ride 365 app you can check in every time you go to the dealership you get 10 points per check in. You can only check into the same dealership every 24 hours but you are able to check into multiple dealerships on the same day.

You are now able to hand in your mileage to Kaitlyn or one of the ladies at the counter. If you are on the Ride 365 Harley-Davidson app you can also do your mileage on there but if you stop by the dealership you earn rewards points. After a certain number of miles, Harley-Davidson will send you a mileage patch, and a pen. They go from thousand on up. It is always great to brag about your accomplishments of the riding you whether it's 500 to 7500 in a month! Although I still believe it's not about the miles, it's about the fun.

There are plenty of H.O.G. activity books still available at the Motorclothes counter that informs you on dates of what's going on. There a list of rides, events, and dealership happenings. We also have the Haunted Passport Challenge. Some of these stops are difficult to get to and will honor your efforts to get to them. Please take a picture of a sign, or an area close to the location. There's still plenty of time to get out there and do the passport stops. This is a contest to win a prize at the end and also bragging rights. Remember to always be safe and enjoy your rides.

H.O.G. Activities at Sturgis

- H.O.G. Member Check-Ins. Pappy Hoel Campground and Sturgis Community Center, Saturday 8/6 thru Saturday 8/13, 9am - 5pm
- H.O.G. Black Hills Challenge. Sign-up at the Sturgis Community Center or Pappy Hoel Campground, runs 8/6 thru 3pm 8/13
- H.O.G. Social Hour. Complimentary appetizers and beverage specials at the Iron Horse Saloon in Sturgis, 8/6 thru 8/13, 4pm - 6pm
- "Kick'n It Old School" H.O.G. Member Ride. Pappy Hoel Campground, Monday 8/8, register & stage 8am, limit 75 riders
- H.O.G. Bike Games. Pappy Hoel Campground, Wednesday 8/10, beginning at 10am
- "Black Hills Breakfast" H.O.G. Member Ride. Sturgis Community Center, Thursday 8/11, register & stage 6am, limit 50 riders
- H.O.G. Party at The Pool. Pappy Hoel Campground, Thursday 8/11, 6pm

For more information about everything happening at Sturgis this year, visit the H.O.G. Sturgis Rally event page.

Tawnia

ASSISTANT ROAD CAPTAIN

RICK MUCHOW

Greetings Fellow Riders,

Hard to believe that we are already halfway through the riding season. Sturgis is right around the corner and before you know it, we will be putting our bikes away for the year. We have had a great first half of the riding season. Dinner rides have been well attended and even got to meet and see some new faces. Make sure you introduce yourself to any new H.O.G. members and make them feel

welcome.

One thing I want to touch on is with the hot weather that we have been experiencing make sure you are taking care of yourself and your ride. Drink plenty of fluids and stop periodically to get out of the heat and hydrate. As far as your ride, make sure you're checking all your fluids and tire condition and pressure. Tire pressures can change drastically with hot temperatures, especially when adding more pressure to the only two wheel you have.

Maintenance is also key to having a great trip, or a trip that one may want to forget. Look over your bike and make sure all is in good working order. Remember T-C-L-O-C-S

- T-Tire and Wheels
- C-Controls
- L-Lights and Electronics
- O-oil and other Fluids
- C-Chassis
- S-Stands

So go out and put some miles on and hopefully we will see you at some dinner rides or H.O.G. Happy Hours. Stay safe out there!

Rick

EMILY'S HOPE POKER RUN

Join the 4th Annual Emily's Hope Poker Run & Classic Car Show on Saturday, August, 27th! Beginning at J&L Harley-Davidson, this poker run will be a 100-mile ride around the Sioux Falls area, and ALL vehicles are welcome to participate.

8 TIPS THAT COULD SAVE A RIDER AFTER A MOTORCYCLE ACCIDENT

A motorcycle accident scene is something we all hope never to encounter while out on the road. But when accidents do happen, Advanced Accident Scene Management Instructor, Jon Wik, believes a little knowledge can go a long way! Keep reading to learn eight of Wik's easy-to-remember tips. They might help save a life someday!

1. Make Sure it's safe to stop.
Keep yourself safe at all costs. Don't add to the scene and become another victim!

2. Walk to the scene/victims
Never run. See number 1.

3. Ask others for help
 - a. Call or ride for help. (If you ride for help, report back to the victim that help is on its way.)
 - b. Look for all the victims. There is potential for a victim x 2 for every bike down.
 - c. Control traffic and protect the victim(s) from further injury.

4. Remember the ABCs:
A - AIRWAY - Is the victim's mouth open? Make sure their airway is unobstructed.
B - BREATHING - Do you see their chest rise? How fast/slow? Are their breaths noisy?
C - CIRCULATION - Are they bleeding?

5. Encourage the victim to remain lying down.
There is a probability of spinal injury with most motorcycle wrecks, and you can make a huge difference in whether the victim is able to walk again. Keep them calm and comfortable.

6. Talk to the victim.
Identify any allergies, medications and injuries the victim may have that may not be visible.

7. Write it down!
Just because the victim is talking now doesn't mean he or she won't lose consciousness, leaving important information unavailable.

8. Pass any information you collect along to EMS.
